Phone #: _____ E-mail: _____

Mead Municipal Code—Chapter 7, Article VI containing information about ANIMALS
https://library.municode.com/co/mead/codes/municipal_code?nodeId=CD_CH7HESAAAN_ARTVIAN

Pursuant to the definitions and regulations of Chapter 7, Article VI of the Mead Municipal Code, describe the number, size, and nature of animals or fowl intended to be kept on the above listed property address:

What is the lot size (sq. ft.) of the premises? _____

For livestock requests, indicate the square feet of the lot that is available for forage: _____

Has the Homeowners Association of your subdivision given its consent or put conditions on this use?
[] YES [] NO (Attach letter from HOA, if applicable)

On a separate sheet of paper:

- Describe the facilities/structures and location where the animals/fowl are to be kept (e.g. corrals, pens, hutches, etc.).
Attach a sketch site plan of the premises showing all existing buildings (e.g. house, detached garage, etc.) and proposed structures. Indicate on the plan the setback measurements of all structures from property lines. Use a black or blue pen to prepare site plans.
Describe the sanitation plan by which the premises will be cleaned of animal waste. Waste cannot be allowed to wash into any drainage facility (e.g. lake or ditch) that will pollute water.
Attach a name and address list of all adjacent property owners which will be used to mail notices of the public hearing of this request. Adjacent means all lots or portions thereof that are within 300 feet of any property line of your lot, including any property across any street. This list may be field-checked for accuracy by the Town. (Please see separate sheet of rules for backyard chickens/hens).

Fee Schedule: \$50 for all animals | \$25 for backyard chickens/hens
