**TOWN OF MEAD, COLORADO
CONSTRUCTION AGREEMENT
Project Number 2021-006 Public Works Maintenance Facility (“Project”)**

This CONSTRUCTION AGREEMENT (“Agreement”) is made and entered into by and between the TOWN OF MEAD, COLORADO, a municipal corporation of the State of Colorado, with offices at 441 Third Street, Mead, Colorado 80542 (the “Town” or “Owner”), and Krische Construction, Inc., a Colorado corporation whose address is 605 Weaver Park Road, Longmont, Colorado, 80501 (the “Contractor”).

RECITALS

WHEREAS, the Town desires to obtain all necessary components to complete the scope of work for the Project; and

WHEREAS, the Town received bids or proposals for the Project, including one from the Contractor (“Bid Proposal”); and

WHEREAS, the Town has reviewed the Bid Proposal from the Contractor for the completion of the Project, and the Town finds said Bid Proposal acceptable; and

WHEREAS, the Town desires to contract with the Contractor subject to the terms of this Agreement and all other Contract Documents.

NOW, THEREFORE, for the consideration herein expressed, it is agreed as follows by and between the Town and the Contractor that the Contractor shall perform the following:

THE PARTIES AGREE AS FOLLOWS:

1.00 SCOPE OF WORK: The Contractor will furnish all tools, equipment, machinery, materials, supplies, superintendence, insurance, transportation, other construction accessories, and services specified or required to be incorporated in and form a permanent part of the construction and completion of the work proposed to be done under this Agreement (“Work” or “Scope of Work”). In addition, the Contractor shall provide and perform all necessary labor in a first-class and workmanlike manner and in accordance with the conditions and prices stated in the Bid Proposal and the requirements, stipulations, provisions, and conditions of the Contract Documents. The Contractor shall further perform, execute, construct, and complete all things mentioned to be done by the Contractor and all work covered by the Owner’s official award of this contract to the Contractor, such award being based on the acceptance by the Owner of the Contractor’s bid, or part thereof.

2.00 THE CONTRACT DOCUMENTS: This Agreement incorporates all the Contract Documents, which together represent the entire and integrated agreement between the parties hereto and supersede prior negotiations, written or oral representations, and agreements. The Contract Documents consist of this Construction Agreement, which Agreement also incorporates by this reference all of the instruments set forth in the Contract Documents as fully as if they were set forth in this Agreement in full. The Contract Documents consist of, without limitation, the following documents:

9. General Conditions

 - Special Provisions
 - Design Documents, including all Drawings and Plans
 - Specifications
 - Addendums to Specifications and Standards
 - The following manual of construction design standards and specifications:

 - Change Orders, Field Orders or other similar revisions properly authorized after the execution of this Agreement
 - Others: _____

3.00 TIME AND COMMENCEMENT OF COMPLETION: This Agreement shall commence as of the date the Agreement is fully executed by both parties and shall continue through August 31, 2022 or until the Scope of Work is completed. The Contractor agrees to undertake the performance of the Work within seven (7) days following the Notice to Proceed and agrees that the Work will be substantially complete by July 31, 2022 unless the contract time is extended by the Town as provided in the Contract Documents.

4.00 LIQUIDATED DAMAGES: All time limits stated in this Agreement and the Contract Documents are of the essence of the Agreement. The Town and Contractor recognize the completion of the work as shown in the contractual time frame, or as extended, is important to the ongoing operations of the Town and its citizens. They also recognize that delays include expenses to the Town for extended manpower commitments, outside consultant commitments, and potentially other legal fees to extend the project beyond the expected time period.

If this box is checked, in lieu of requiring any such proof and backup for such expenses, Contractor agrees that liquidated damages (not penalties) may be assessed by the Owner in the sum of **\$1,000.00 per day** for each day after the contract time frame expires.

If this box is checked, in addition to or in lieu of the daily damages (if checked above), Contractor agrees that lump sum liquidated damages (not penalties) may be assessed by the Town in a *lump sum payment* of \$ _____ .00 if the work is not completed by _____, 20__.

5.00 CONTRACT SUM AND PAYMENT: The Owner shall pay to the Contractor for performance of the Work encompassed by this Agreement, and the Contractor will accept as full compensation therefore a sum that shall not exceed **THREE MILLION FOUR HUNDRED SEVENTY-TWO THOUSAND TWO HUNDRED ONE DOLLARS AND NO CENTS (\$3,472,201.00)** subject to adjustment as provided by the Contract Documents (“Contract Price”). Notwithstanding the Contract Price specified in this section, Contractor shall be paid only for Work performed. The Town has appropriated sufficient funds for completion of this Work.

- a. Monthly, partial, progress payments shall be made by the Town to the Contractor for the percentage of the Work completed, subject to inspection by Town staff to verify percentage of completion. The Town alone shall determine when work has been completed and progress payments shall not constitute a waiver of the right of the Town to require the fulfillment of all terms of this Agreement and the delivery of all improvements embraced in this Agreement in a complete and satisfactory manner to the Town in all details. The Town, before making any payment, may require the Contractor to furnish releases or receipts from any or all persons performing work under this Agreement and/or supplying material or services to the Contractor, or any subcontractor if this is deemed necessary to protect the Town’s interest. The Town, however, may in its discretion make payment in part or full to the Contractor without requiring the furnishing of such releases or receipts.

- b. By the 30th day of each month, Contractor shall submit to the Town for review and approval, an application for payment fully completed and signed by Contractor covering the work completed through the last day of the prior month and accompanied by such supporting documentation as is required by these Contract Documents, including without limitation, time sheets, invoices, receipts, bills of lading, and all other documents the Town may require. Materials on hand but not complete in place may or may not be included for payment at the discretion of the Town. Each subsequent application for payment shall include an affidavit of Contractor providing that all previous progress payments received on account of the work have been applied to discharge in full all of Contractor's obligations reflected in prior applications for payment. Notwithstanding the progress payments, it is the intent and purpose of the Town to withhold at least five percent (5%) of payments to Contractor for any contract exceeding One Hundred Fifty Thousand Dollars (\$150,000.00) in accordance with Article 91, Title 24, C.R.S.

6.00 ACCEPTANCE AND FINAL PAYMENT: Final payment may be requested by the Contractor upon completion and acceptance, by the Town, of all Work as set forth in the Contract Documents. The total amount of final payment shall consist of the amount due for all Work completed, as adjusted in accordance with approved change orders, if applicable, less all previous payments to the Contractor. If the contract price exceeds one hundred fifty thousand dollars (\$150,000), the Town may make the final payment to the Contractor only after the Town has published notice of such final payment in accordance with C.R.S. § 24-91-103.

7.00 ADDITIONAL WORK: Should work beyond that described in the Contract Documents be required, it will be paid for as extra work at a cost to be agreed upon in separate written agreement by the Town and the Contractor prior to commencement of the additional work. Such additional agreements shall be executed and approved by all persons required by Town purchasing ordinances or policies. Unless specifically excluded, such written agreements shall be considered part of the Contract Documents.

8.00 CONTRACTOR'S REPRESENTATIONS: In order to induce the Town to enter into this Agreement, the Contractor makes the following representations:

- a. The Contractor has familiarized itself with the nature and the extent of the Contract Documents, Scope of Work, the locality, all physical characteristics of the area of the work within the Scope of Work, including without limitation, improvements, soil conditions, drainage, topography, and all other features of the terrain, and with the local conditions and federal, state, and local laws, ordinances, rules, and regulations that in any manner may affect cost, progress, or performance of the work, or apply in any manner whatsoever to the work.
- b. Contractor has carefully considered all physical conditions at the site and existing facilities affecting cost, progress, or performance of the work.
- c. Contractor has given the Town written notice of all conflicts, errors, or discrepancies that it has discovered in the Contract Documents and such documents are acceptable to the Contractor.
- d. Contractor shall not extend the credit or faith of the Owner to any other persons or organizations.

9.00 INSURANCE: Contractor agrees to procure and maintain, at its own cost, a policy or policies of insurance sufficient to insure against all obligations assumed by the Contractor pursuant to this Agreement. Contractor shall not commence work under this Agreement until it has obtained all said insurance required by the Contract Documents and such insurance has been approved by the Town. The Contractor shall not allow any subcontractor to commence work on this project until all similar insurance required of the subcontractor has been obtained and approved. For the duration of this Agreement, the Contractor must continuously maintain the insurance coverage required in this section, with the minimum insurance coverage listed below:

- a. Worker's Compensation in accordance with the Worker's Compensation Act of the State of Colorado and any other applicable laws for any employee engaged in the performance of Work under this contract.
- b. Comprehensive General liability insurance with minimum limits of TWO MILLION DOLLARS (\$2,000,000) per each occurrence, AND FOUR MILLION DOLLARS (\$4,000,000) aggregate, plus an additional amount sufficient to pay related attorneys' fees and defense costs. The policy shall be applicable to all premises and operations. The policy shall include coverage for bodily injury, broad form property damage (including completed operations), personal injury (including coverage for contractual and employee acts), blanket contractual, independent contractors, products, and completed operations. The policy shall include coverage for explosion, collapse, and underground hazards. The policy shall contain a severability of interests provision.
- c. Comprehensive Automobile Liability insurance with minimum limits for bodily injury and property damage of not less than ONE MILLION DOLLARS (\$1,000,000) per each occurrence, plus an additional amount sufficient to pay related attorneys' fees and defense costs, with respect to each of the Contractor's owned, hired or non owned vehicles assigned to or used in performance of this contract.
- d. Builder's Risk insurance with minimum limits of not less than the insurable value of the work to be performed under this contract at completion less the value of the materials and equipment insured under installation floater insurance. The policy shall be written in completed value form and shall protect the Contractor and the Town against risks of damage to buildings, structures, and materials and equipment not otherwise covered under Installation Floater insurance, from the perils of fire and lightning, the perils included in the standard coverage endorsement, and the perils of vandalism and malicious mischief. Equipment such as pumps, engine-generators, compressors, motors, switch-gear, transformers, panel-boards, control equipment, and other similar equipment shall be insured under Installation Floater insurance when the aggregate value of the equipment exceeds \$10,000. The policy shall provide for losses to be payable to the Contractor and the Town as their interests may appear. The policy shall contain a provision that in the event of payment for any loss under the coverage provided, the insurance company shall have no rights of recovery against the Contractor or the Town.
- e. If this box is checked, Professional Liability/Errors and Omission in an amount not less than _____ MILLION DOLLARS (\$__,000,000).

Certificates of insurance shall be completed by the Contractor's insurance agent as evidence that policies providing the required coverage, conditions, and minimum limits are in full force and effect, and shall be subject to review and approval by the Town. The policies required above shall be endorsed to include the Town and the Town's officers and employees as additional insureds. Every policy required above shall be primary insurance and any insurance carried by the Town, its officers, or its employees, or carried by or provided through any self-insurance pool of the Town, shall be excess and not contributory insurance to that provided by the Contractor. Contractor shall be solely responsible for paying any and all deductibles.

Each certificate of insurance shall identify this Agreement or the project set forth in the Scope of Work and shall provide that the coverage afforded under the policies shall not be cancelled, terminated or materially changed until at least thirty (30) days prior written notice has been given to the Town. If the words "endeavor to" appear in the portion of the certificate of insurance addressing cancellation, those words shall be stricken from the certificate by the agent(s) completing the certificate. The Town reserves the right to request and receive a certified copy of any policy and any endorsement thereto.

10.00 BONDS: Contractor shall furnish a performance bond, payment bond, and warranty bond in an amount determined by the Town, but in any event at least equal to the Contract Price, as security for the faithful performance and payment of all Contractor's obligations under the Contract Documents, including but not limited to the guaranty period.

These bonds shall remain in effect at least until one year after the date of final payment. All bonds shall be in the forms prescribed by the Contract Documents and be executed by such sureties as (i) are licensed to conduct business in the State of Colorado and (ii) are named in the current list of "Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies" as published in Circular 570, amended, by the Audit Staff, Bureau of Account, U.S. Treasury Department. All bonds signed by an agent must be accompanied by a certified copy of the authority to act. If the surety on any bond furnished by the Contractor is declared bankrupt or becomes insolvent, or its right to do business in Colorado is terminated, or it ceases to meet the requirements of clauses (i) and (ii) of this section, Contractor shall, within five (5) days thereafter, substitute another bond and surety, both of which shall be acceptable to the Town.

11.00 NO WAIVER OF GOVERNMENTAL IMMUNITY: The parties hereto understand and agree that the parties are relying on, and do not waive or intend to waive by any provision of this Agreement or the remainder of the Contract Documents, the monetary limitations or any other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, § 24-10-101 et seq., 10 C.R.S., as from time to time amended, or otherwise available to the parties, their officers, agents or their employees.

12.00 INDEMNIFICATION: The Contractor agrees, to the fullest extent permitted by law, to indemnify, defend and hold the Town, its agencies, employees, officials and agents ("Indemnitees") harmless from any and all claims, settlements, judgments, damages and costs, including reasonable attorney fees, of every kind and nature made, to include all costs associated with the investigation and defense of any claim, rendered or incurred by or on behalf of the Indemnitees, that may arise, occur, or grow out of any errors, omissions, or negligent acts, done by the Contractor, its employees, subcontractors or any independent consultants working under the direction of either the Contractor or any subcontractor in the performance of this Contract; provided, however, that Contractor's obligations and liability hereunder shall not exceed the amount represented by the degree or percentage of negligence or fault attributable to the Contractor or any officer, employee, representative, agent, subcontractor, or other person acting under Contractor's direction or control, as determined pursuant to C.R.S. § 13-50.5-102(8)(c).

13.00 TERMINATION FOR CONVENIENCE: This Agreement and the performance of the Scope of Work hereunder may be terminated at any time in whole, or from time to time in part, by the Town for its convenience. Any such termination shall be effected by delivery to the Contractor of a written notice ("**Notice of Termination**") specifying the extent to which performance of the Scope of Work is terminated and the date upon which termination becomes effective. If the Agreement is terminated, the Contractor shall be paid on a pro-rated basis of work status satisfactorily completed, under the detailed Scope of Work. The portion of the Scope of Work satisfactorily completed but not yet accepted by the Town shall be determined by the Town.

14.00 EVENTS OF AND TERMINATION FOR DEFAULT:

- (1) The Town may serve written notice upon the Contractor of its intention to terminate this Agreement in the presence of one of the following events of default:
 - a. Contractor fails to initiate the Scope of Work at the agreed upon time;
 - b. The Contractor unnecessarily or unreasonably delays the performance of the Scope of Work;
 - c. The Contractor does not complete the Scope of Work within the time specified or within the time to which completion of the Scope of Work has been extended;
 - d. Contractor fails to make prompt payments for labor, materials or to subcontractors;
 - e. Contractor willfully violates this Agreement or disregards laws, ordinances or instructions of the Town;
 - f. Contractor abandons performance of the Scope of Work;

- g. The Contractor assigns, transfers or sublets this Agreement or any part thereof without Town approval;
- h. Contractor becomes insolvent or adjudged bankrupt; or
- i. Contractor refuses to remove materials or perform any work within the Scope of Work that has been rejected as defective or unsuitable.

(2) Such written notice shall contain the reasons for the intention to terminate this Agreement and provide a five (5) business day period during which the Contractor may cure the event of default. A failure to timely cure the event of default shall authorize the Town to immediately terminate this Agreement and take whatever steps it deems necessary to complete the Scope of Work, if so desired by the Town in its sole discretion. The costs and charges incurred by the Town, together with the costs of completion of the Scope of Work shall be deducted from any monies owed to Contractor. If the expense incurred by the Town is greater than the sums payable under this Agreement, the Contractor shall pay the Town, within sixty (60) days of demand therefor the amount of such excess cost suffered by the Town.

15.00 LIABILITY FOR EMPLOYMENT-RELATED RIGHTS AND COMPENSATION: The Contractor will comply with all laws, regulations, municipal codes, and ordinances and other requirements and standards applicable to the Contractor's employees, including, without limitation, federal and state laws governing wages and overtime, equal employment, safety and health, employees' citizenship, withholdings, reports and record keeping. Accordingly, the Town shall not be called upon to assume any liability for or direct payment of any salaries, wages, contribution to pension funds, insurance premiums or payments, workers' compensation benefits or any other amenities of employment to any of the Contractor's employees or any other liabilities whatsoever, unless otherwise specifically provided herein.

The Town will not include the Contractor as an insured under any policy the Town has for itself. The Town shall not be obligated to secure nor provide any insurance coverage or employment benefits of any kind or type to or for the Contractor or the Contractor's employees, sub-consultants, subcontractors, agents, or representatives, including but not limited to coverage or benefits related to: local, state, or federal income or other tax contributions, FICA, workers' compensation, unemployment compensation, medical insurance, life insurance, paid vacations, paid holidays, pension or retirement account contributions, profit sharing, professional liability insurance, or errors and omissions insurance. The following disclosure is provided in accordance with Colorado law:

CONTRACTOR FURTHER ACKNOWLEDGES THAT NEITHER IT NOR ITS AGENTS OR EMPLOYEES ARE ENTITLED TO WORKERS' COMPENSATION BENEFITS. CONTRACTOR ALSO ACKNOWLEDGES THAT IT IS OBLIGATED TO PAY FEDERAL AND STATE INCOME TAX ON ANY MONEYS EARNED OR PAID PURSUANT TO THIS AGREEMENT.

To the maximum extent permitted by law, the Contractor waives all claims against the Town for any Employee Benefits; the Contractor will defend the Town from any claim and will indemnify the Town against any liability for any Employee Benefits for the Contractor imposed on the Town; and the Contractor will reimburse the Town for any award, judgment, or fine against the Town based on the position the Contractor was ever the Town's employee, and all attorneys' fees and costs the Town reasonably incurs defending itself against any such liability.

16.00 GOVERNING LAW AND VENUE: Venue for any and all legal matters regarding or arising out of the transactions covered herein shall be solely in the District Court in and for Weld County, State of Colorado. This transaction shall be governed by the laws of the State of Colorado.

In the event of a conflict between any of the Contract Documents, the following order of precedence shall apply: (1) change orders, (2) this Agreement, as may be amended, (3) special provisions, (4) general conditions, (5) design standards and specifications, including any addenda, (6) design documents, and (7) any other Contract Documents, with the more specific or stricter provision controlling.

28.00 FORCE MAJEURE: Neither the Contractor nor the Town shall be liable for any delay in, or failure of performance of, any covenant or promise contained in this Agreement, nor shall any delay or failure constitute default or give rise to any liability for damages if, and only to extent that, such delay or failure is caused by “force majeure.” As used in this Agreement, “force majeure” means acts of God, acts of the public enemy, acts of terrorism, unusually severe weather, fires, floods, epidemics, pandemics, quarantines, strikes, labor disputes and freight embargoes, to the extent such events were not the result of, or were not aggravated by, the acts or omissions of the non-performing or delayed party.

Notes: (1) Provide supplemental execution by any additional parties, such as joint venturers. (2) Any singular reference to Contractor, Surety, Owner, or other party shall be considered plural where applicable.

1. The Contractor and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors, and assigns to the Owner for the performance of the Construction Contract, which is incorporated herein by reference.

2. If the Contractor performs the Construction Contract, the Surety and the Contractor shall have no obligation under this Bond, except when applicable to participate in a conference as provided in Paragraph 3.

3. If there is no Owner Default under the Construction Contract, the Surety's obligation under this Bond shall arise after:

3.1 The Owner first provides notice to the Contractor and the Surety that the Owner is considering declaring a Contractor Default. Such notice shall indicate whether the Owner is requesting a conference among the Owner, Contractor, and Surety to discuss the Contractor's performance. If the Owner does not request a conference, the Surety may, within five (5) business days after receipt of the Owner's notice, request such a conference. If the Surety timely requests a conference, the Owner shall attend. Unless the Owner agrees otherwise, any conference requested under this Paragraph 3.1 shall be held within ten (10) business days of the Surety's receipt of the Owner's notice. If the Owner, the Contractor, and the Surety agree, the Contractor shall be allowed a reasonable time to perform the Construction Contract, but such an agreement shall not waive the Owner's right, if any, subsequently to declare a Contractor Default;

3.2 The Owner declares a Contractor Default, terminates the Construction Contract and notifies the Surety; and

3.3 The Owner has agreed to pay the Balance of the Contract Price in accordance with the terms of the Construction Contract to the Surety or to a contractor selected to perform the Construction Contract.

4. Failure on the part of the Owner to comply with the notice requirement in Paragraph 3.1 shall not constitute a failure to comply with a condition precedent to the Surety's obligations, or release the Surety from its obligations, except to the extent the Surety demonstrates actual prejudice.

5. When the Owner has satisfied the conditions of Paragraph 3, the Surety shall promptly and at the Surety's expense take one of the following actions:

5.1 Arrange for the Contractor, with the consent of the Owner, to perform and complete the Construction Contract;

5.2 Undertake to perform and complete the Construction Contract itself, through its agents or independent contractors;

5.3 Obtain bids or negotiated proposals from qualified contractors acceptable to the Owner for a contract for performance and completion of the Construction Contract, arrange for a contract to be prepared for execution by the Owner and a contractor selected with the Owners concurrence, to be secured with performance and payment bonds executed by a qualified surety equivalent to the bonds issued on the Construction Contract, and pay to the Owner the amount of damages as described in Paragraph 7 in excess of the Balance of

the Contract Price incurred by the Owner as a result of the Contractor Default; or

5.4 Waive its right to perform and complete, arrange for completion, or obtain a new contractor, and with reasonable promptness under the circumstances:

5.4.1 After investigation, determine the amount for which it may be liable to the Owner and, as soon as practicable after the amount is determined, make payment to the Owner; or

5.4.2 Deny liability in whole or in part and notify the Owner, citing the reasons for denial.

6. If the Surety does not proceed as provided in Paragraph 5 with reasonable promptness, the Surety shall be deemed to be in default on this Bond seven days after receipt of an additional written notice from the Owner to the Surety demanding that the Surety perform its obligations under this Bond, and the Owner shall be entitled to enforce any remedy available to the Owner. If the Surety proceeds as provided in Paragraph 5.4, and the Owner refuses the payment or the Surety has denied liability, in whole or in part, without further notice the Owner shall be entitled to enforce any remedy available to the Owner.

7. If the Surety elects to act under Paragraph 5.1, 5.2, or 5.3, then the responsibilities of the Surety to the Owner shall not be greater than those of the Contractor under the Construction Contract, and the responsibilities of the Owner to the Surety shall not be greater than those of the Owner under the Construction Contract. Subject to the commitment by the Owner to pay the Balance of the Contract Price, the Surety is obligated, without duplication for:

7.1 the responsibilities of the Contractor for correction of defective work and completion of the Construction Contract;

7.2 additional legal, design professional, and delay costs resulting from the Contractor's Default, and resulting from the actions or failure to act of the Surety under Paragraph 5; and

7.3 liquidated damages, or if no liquidated damages are specified in the Construction Contract, actual damages caused by delayed performance or non-performance of the Contractor.

8. If the Surety elects to act under Paragraph 5.1, 5.3, or 5.4, the Surety's liability is limited to the amount of this Bond.

9. The Surety shall not be liable to the Owner or others for obligations of the Contractor that are unrelated to the Construction Contract, and the Balance of the Contract Price shall not be reduced or set off on account of any such unrelated obligations. No right of action shall accrue on this Bond to any person or entity other than the Owner or its heirs, executors, administrators, successors, and assigns.

10. The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders, and other obligations.

11. Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the location in which the work or part of the work is located and shall be instituted within two years after a declaration of Contractor Default or within

two years after the Contractor ceased working or within two years after the Surety refuses or fails to perform its obligations under this Bond, whichever occurs first. If the provisions of this paragraph are void or prohibited by law, the minimum periods of limitations available to sureties as a defense in the jurisdiction of the suit shall be applicable.

12. Notice to the Surety, the Owner, or the Contractor shall be mailed or delivered to the address shown on the page on which their signature appears.

13. When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

14. Definitions

14.1 **Balance of the Contract Price:** The total amount payable by the Owner to the Contractor under the Construction Contract after all proper adjustments have been made including allowance for the Contractor for any amounts received or to be received by the Owner in settlement of insurance or other claims for damages to which the Contractor is entitled, reduced by all valid and proper payments made to or on behalf of the Contractor under the Construction Contract.

14.2 **Construction Contract:** The agreement between the Owner and Contractor identified on the cover page, including all Contract Documents and changes made to the agreement and the Contract Documents.

14.3 **Contractor Default:** Failure of the Contractor, which has not been remedied or waived, to perform or otherwise to comply with a material term of the Construction Contract.

14.4 **Owner Default:** Failure of the Owner, which has not been remedied or waived, to pay the Contractor as required under the Construction Contract or to perform and complete or comply with the other material terms of the Construction Contract.

14.5 **Contract Documents:** All the documents that comprise the agreement between the Owner and Contractor.

15. If this Bond is issued for an agreement between a contractor and subcontractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

Notes: (1) Provide supplemental execution by any additional parties, such as joint venturers. (2) Any singular reference to Contractor, Surety, Owner, or other party shall be considered plural where applicable.

1. The Contractor and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors, and assigns to the Owner to pay for labor, materials, and equipment furnished for use in the performance of the Construction Contract, which is incorporated herein by reference, subject to the following terms.
2. If the Contractor promptly makes payment of all sums due to Claimants, and defends, indemnifies, and holds harmless the Owner from claims, demands, liens, or suits by any person or entity seeking payment for labor, materials, or equipment furnished for use in the performance of the Construction Contract, then the Surety and the Contractor shall have no obligation under this Bond.
3. If there is no Owner Default under the Construction Contract, the Surety's obligation to the Owner under this Bond shall arise after the Owner has promptly notified the Contractor and the Surety (at the address described in Paragraph 13) of claims, demands, liens, or suits against the Owner or the Owner's property by any person or entity seeking payment for labor, materials, or equipment furnished for use in the performance of the Construction Contract, and tendered defense of such claims, demands, liens, or suits to the Contractor and the Surety.
4. When the Owner has satisfied the conditions in Paragraph 3, the Surety shall promptly and at the Surety's expense defend, indemnify, and hold harmless the Owner against a duly tendered claim, demand, lien, or suit.
5. The Surety's obligations to a Claimant under this Bond shall arise after the following:
 - 5.1 Claimants who do not have a direct contract with the Contractor,
 - 5.1.1 have furnished a written notice of non-payment to the Contractor, stating with substantial accuracy the amount claimed and the name of the party to whom the materials were, or equipment was, furnished or supplied or for whom the labor was done or performed, within ninety (90) days after having last performed labor or last furnished materials or equipment included in the Claim; and
 - 5.1.2 have sent a Claim to the Surety (at the address described in Paragraph 13).
 - 5.2 Claimants who are employed by or have a direct contract with the Contractor have sent a Claim to the Surety (at the address described in Paragraph 13).
6. If a notice of non-payment required by Paragraph 5.1.1 is given by the Owner to the Contractor, that is sufficient to satisfy a Claimant's obligation to furnish a written notice of non-payment under Paragraph 5.1.1.
7. When a Claimant has satisfied the conditions of Paragraph 5.1 or 5.2, whichever is applicable, the Surety shall promptly and at the Surety's expense take the following actions:
 - 7.1 Send an answer to the Claimant, with a copy to the Owner, within sixty (60) days after receipt of the Claim, stating the amounts that are undisputed and the basis for challenging any amounts that are disputed; and
 - 7.2 Pay or arrange for payment of any undisputed amounts.
 - 7.3 The Surety's failure to discharge its obligations under Paragraph 7.1 or 7.2 shall not be deemed to constitute a waiver of defenses the Surety or Contractor may have or acquire as to a Claim, except as to undisputed amounts for which the Surety and Claimant have reached agreement. If, however, the Surety fails to discharge its obligations under Paragraph 7.1 or 7.2, the Surety shall indemnify the Claimant for the reasonable attorney's fees the Claimant incurs thereafter to recover any sums found to be due and owing to the Claimant.
8. The Surety's total obligation shall not exceed the amount of this Bond, plus the amount of reasonable attorney's fees provided under Paragraph 7.3, and the amount of this Bond shall be credited for any payments made in good faith by the Surety.
9. Amounts owed by the Owner to the Contractor under the Construction Contract shall be used for the performance of the Construction Contract and to satisfy claims, if any, under any construction performance bond. By the Contractor furnishing and the Owner accepting this Bond, they agree that all funds earned by the Contractor in the performance of the Construction Contract are dedicated to satisfy obligations of the Contractor and Surety under this Bond, subject to the Owner's priority to use the funds for the completion of the work.
10. The Surety shall not be liable to the Owner, Claimants, or others for obligations of the Contractor that are unrelated to the Construction Contract. The Owner shall not be liable for the payment of any costs or expenses of any Claimant under this Bond, and shall have under this Bond no obligation to make payments to or give notice on behalf of Claimants, or otherwise have any obligations to Claimants under this Bond.
11. The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders, and other obligations.
12. No suit or action shall be commenced by a Claimant under this Bond other than in a court of competent jurisdiction in the state in which the project that is the subject of the Construction Contract is located or after the expiration of one year from the date (1) on which the Claimant sent a Claim to the Surety pursuant to Paragraph 5.1.2 or 5.2, or

(2) on which the last labor or service was performed by anyone or the last materials or equipment were furnished by anyone under the Construction Contract, whichever of (1) or (2) first occurs. If the provisions of this paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.

13. Notice and Claims to the Surety, the Owner, or the Contractor shall be mailed or delivered to the address shown on the page on which their signature appears. Actual receipt of notice or Claims, however accomplished, shall be sufficient compliance as of the date received.
14. When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.
15. Upon requests by any person or entity appearing to be a potential beneficiary of this Bond, the Contractor and Owner shall promptly furnish a copy of this Bond or shall permit a copy to be made.

6. The total amount earned by the Claimant for labor, materials, or equipment furnished as of the date of the Claim;
7. The total amount of previous payments received by the Claimant; and
8. The total amount due and unpaid to the Claimant for labor, materials, or equipment furnished as of the date of the Claim.

The term Claimant also includes any individual or entity that has rightfully asserted a claim under an applicable mechanic's lien or similar statute against the real property upon which the Project is located.
