Eat, drink, and play at Mead Community Day

The Town of Mead's largest event is just around the corner and it's kicking it off in style with the Community Day and Homecoming Parade on September 8! The annual festival is taking place on September 9, in Mead Town Park. Community Day features live music, vendor booths, food trucks, free activities, beer garden, and fireworks.

Festivities begin at 4 p.m. with live music to follow, "Each year this event has gotten bigger and better; more vendors, new activities, and remarkable musical talent," explained Mead Mayor Colleen Whitlow. "We're fortunate to host a celebration like this for our town."

Community Day offers a variety of activities for everyone. Face painting, mechanical bull riding, and a cornhole tournament are just a few of the fun interactives planned for the evening. Live music will start at 5 p.m. featuring jazz and R&B Colorado Music Hall of Famer Hazel Miller and the Collective, followed by CMA, ACM, and Grammy award-winning country music artist Bryan White. Vendors will also be showcasing their products and services for all to enjoy alongside a collection of tasty food trucks. The only way to end such a fantastic event is with fireworks at 9:30 p.m.!
